Sir,

Sub: ESTABLISHMENT- collection - South Kanara - District
Board - Bill Collectors - Upgrading of- resolution
of the Dt. Board- communicated

p 3 below

In enclosing a copy of Dt. Board resolution No. 102
dated 15-11-1952 I have to state as follows:

72
11-1-52

In G.O. No. 1355 (Development Department) dated 29-3-52
the Bill Collectors under the District Boards were classified
as Grade II employees. But the Bill Collectors under the
Municipalities were classified as Grade III employees. In
this connection I have to point out that the nature of duties
assigned to the Bill Collectors under the Municipalities and
the District Boards are one and the same perhaps the collection
work of Bill Collectors under the Board is even more strenuous
than that of Bill Collectors employed under the municipalities
as the Bill Collectors under the Dt. Board have more extensive
jurisdiction and have to visit interior villages which are not
connected by roads.

Hence it is not fair to make an invidious distinction
between the Bill Collectors in the employ of the Dt. Board and
those under a municipality in the matter of pay and allowances.

2. I, therefore, request that the Dt. Board employees
may please be classified as Grade III employees and remove
the disparity between the Municipal Bill Collectors and District
Board Bill Collectors.

For President

Development dated 16/12/52.

The scales of pay attached to the posts of Bill Collectors under Municipalities is Rs.30/2/50/1/55 and those under District Boards is Rs.25/-35. While fixing the minimum rates of wages for employment under Local Authorities Government have in G.O.No.1355, Development dated 29/3/52 classified the Bill Collectors and those under the District Boards as Grade II employees and those under Municipal Council as Grade III employees, the criterion for such classification being an all inclusive minimum rates of wages of Rs.25/- to employees of Grades I and II and Rs.40/- to employees of Grades III, IV and V. The President, District Board, South Kanara now requests reclassification of District Board Bill Collectors as Grade III employees on the ground that the duties assigned to Bill Collectors under District Board and Municipal Councils are one and the same and that the collection work of Bill Collectors under District Boards is more strenuous than that of Bill Collectors under the Municipal Councils as the former have to visit interior villages of the District not connected by roads.

2. The contention of the President, District Board is not correct. The duties and responsibilities of Bill Collectors under Municipal Councils are far greater than those under District Boards and that is why Government have fixed higher scale of pay to the former. Government have also refused to grant the scale of pay fixed for Bill Collectors under Municipal Councils to the Bill Collectors under District Boards. Vide their Memo No.55972/49 IG/L.A., dated, 4/1/50. Further the rates of wages fixed in G.O.No.1355, Development, dated 29/3/52 are only the minimum and the Bill Collectors under District Boards will not in any way be benefited by re-classifying them as Grade III employees as required by the President, South Kanara District Board.

I send herewith letter No.L.Jis.90487/52,
dated 10-1-53 of the Inspector of Municipal Councils and
Local Boards containing his remarks in the matter. He states
that the duties and responsibilities of bill collectors
under Municipal Councils are far greater than those under
District Boards. In the circumstances, I consider that
there is no case for upgrading the District Board Bill
Collectors as Grade III employees. The rates fixed for
III grade employees under District Boards are the minimum
below which no local authority in the whole State, can
pay its employees. If, however, the local conditions
and the financial resources of the District Board, South
Kanara, warrant payment of a higher rate of wage to its
bill collectors it is open to it to do so. For this there
is no need to revise the minimum rates of wages already
fixed for the local board employees.
